Financial Contract

Child(ren)'s Name(s)

- Tuition payments of cash, check, ACH, or credit card are due in advance the first day of attendance each week per the current tuition rate chart. Tuition Express and MX Merchant are processed each Friday for the upcoming week.
- There is a \$40.00 per week late fee for tuition that is not paid according to these terms.
- For families with two or more children enrolled full-time, there is an approximate 10% discount on the oldest child's tuition. This does not apply to any part-time rates. The school office will calculate your tuition total.
- There is a 2% discount on tuition paid by ACH. (automatic withdrawals from a checking or savings account - no debit/credit cards)
- There is a \$50.00 fee for returned/declined ACH transactions. After the second returned ACH transaction, your account will be switched to a different payment method and the ACH discount will no longer be available.
- There are no discounts/credits for any absences, holidays, vacations, or school closures.
- Children attending part-time must attend the same days each week (no switching days).
- For children attending part-time, extra days may be added in a week if there is space available and the additional day is approved by the office in advance. Tuition will be adjusted according to the current tuition rate chart.
- Students not picked up at ACT by closing time will have \$2.00 per minute, per child, fee. This fee goes directly to the individual staying with your child and must be paid in cash at the time of late pick up.
- ACT reserves the right to terminate any or all services at any time and families are free to withdraw their child at any time. If for any reason you withdraw your child from ACT, a three-week written notice or payment in lieu of notice is required.
- Tuition increases annually and there may be times when additional increases are necessary. Parents will be notified of any tuition increase one (1) month prior to the date the increase is to take effect.
- New rates are not always determined far in advance (5 or more months), and you may receive a rate quote at the time of inquiry and registration that increases before your child actually starts in the program. You will be required to pay the current rate at the time your child begins attending ACT.
- Your account will be turned over for collection if the balance on the account and all other charges are not paid within two weeks. A collection fee of \$150.00 will be added to your balance.
- This contract is subject to change at the sole discretion of administration. Written notice will be provided prior to any change taking effect.

For services listed, and in accordance with the terms of this agreement, I hereby contract to pay the tuition per the tuition schedule that is current when my child attends.
